INTRODUCTION

A tax exemption is a discharge from the obligation to pay all or a portion of a tax. Exemptions are conferred by the Legislature on particular categories of persons or property.

Clauses 17, 17C, 17C1/2 and 17D in Section 5 of Chapter 59 provide exemptions to three categories of persons who satisfy certain residency and whole estate or asset requirements: (1) widows and widowers, (2) minor children with one parent deceased and (3) persons 70 years of age or older. Persons 70 or older may, alternatively, qualify for an exemption under Clauses 41, 41B or 41C which provide increased benefits but for which the eligibility requirements are more strict.

Clause 17 was an early Legislative response to the need of the above categories of persons for assistance with their tax obligations. It set out original eligibility requirements for the exemption. As property values rose, however, it became more difficult to persons to satisfy these requirements. Therefore, the Legislature periodically made alternative exemptions (Clauses 17C, 17C1/2 and 17D) available for cities or towns to accept by town meeting or city council vote. Each alternative has different eligibility requirements. If a city or town has accepted Clause 17C, 17C1/2 or 17D, the Clause most recently accepted establishes eligibility rules. If a city or town has not so voted, Clause 17 prevails.

EXEMPTION AMOUNT

The exemption amount for each Clause is \$175.00.

Applications must be filed annually on or before December 15 with the local assessors in the city or town where the property is located.
