6:00 p.m. / Hearing / Gregg Heger / Request for Variance @ 427 North Bedford Street

Myles Heger will be recusing himself from this hearing. Gregg Heger has requested a variance for the required well setbacks. His proposed septic system will be located 92 feet from the abutters potable well and Title V regs indicate that it should be 100 feet. The abutter, Mr. Travers is present. He asks if there is another location on the property where the system could be installed. Mr. Heger indicates that due to the existing grading and drainage this is the only and best option. Mr. Heger submitted a letter to the Board asking them to have Mr. Travers test his well and septic system (attached). Mr. Travers indicated he would not be willing to do such testing but has no problem with the variance as requested. The Board explained to Mr. Travers that if he was not willing to do the testing now and had no objection to the variance that he could not come back in a few years and file a complaint. Mr. Travers agreed. M/L.Lesogor, s/W. Hubert, a unanimous vote to approve the variance and sign the Disposal Works Permit. (M. Heger did not participate)

M/Heger, s/Lesogor a unanimous vote to increase Lisa Royal's salary by 2% effective July 1, 2020. (this falls in line with salary increases given to union and non-union members July 1)
