6:00 p.m. / Appointment / School Supt. Legault and Karyn Clifford

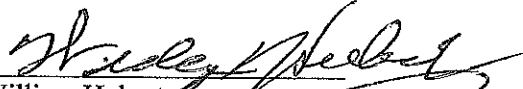

Liz and Karyn requested an appointment with the Board to talk about plans for the eventual phasing in of students to the classrooms. The first phase would involve filling empty seats at the existing 6 feet distancing with high needs kids. Future phases would slowly decrease the spacing between seats allowing for more seats in the classroom, holding for a minimum of 14 days and then filling those seats, after consulting with the Board of Health and School Committee. All phases will be data driven and will pause if necessary. M/Lesogor, s/Heger a unanimous vote to support the plan as presented with BOH oversight. Liz and Karyn will be presenting the “phased plan” to the school committee next week.
