Re: Town of East Bridgewater, Central Elementary School

Dear Mr. Spagone:

I am pleased to report that the Massachusetts School Building Authority (the "MSBA") Board of Directors has voted to invite the Statement of Interest (the "SOI") for the Central Elementary School in the Town of East Bridgewater (the "Town") into the MSBA's Eligibility Period. The 270-day Eligibility Period formalizes and streamlines the beginning of the MSBA's grant approval process and benefits the Town by providing a definitive schedule for the completion of preliminary requirements, assisting with the determination of financial and community readiness, and identifying needs for planning and budgeting. Successful completion of all activities in the Eligibility Period will allow the Town to be eligible for an MSBA invitation to Feasibility Study.

Invitation into the Eligibility Period is *not* an invitation to Feasibility Study. Moving forward in the MSBA's process requires collaboration with the MSBA, and an invitation to Feasibility Study will require a further vote of the MSBA Board of Directors. Communities that "get ahead" of the MSBA without MSBA approval will not be eligible for grant funding. Additionally, the Town's vote by the Board of Directors approving a potential grant will be no sooner than July 1, 2025. To qualify for any funding from the MSBA, local communities must follow the MSBA's statute and regulations, which require MSBA partnership and approval at each step of the process.

The Town's Eligibility Period will commence on April 3, 2023 and conclude on December 29, 2023. During this time, the Town must complete the preliminary requirements in accordance with the schedule on page three of this letter. The first item that requires completion by the Town is the Initial Compliance Certification, which will be sent to the Town electronically two weeks prior to its commencement date, on March 20, 2023.

The ability of the Town to complete the preliminary requirements within the 270 days does not guarantee an invitation into the MSBA Capital Pipeline. Further, if the Town cannot complete the preliminary requirements within the 270-day Eligibility Period, the MSBA will require the

Town to withdraw its SOI, and the Town will have to re-file an SOI during the next open SOI filing period and/or when the Town has the required financial and community support.

If the Town has concerns about meeting any of the deadlines set forth on page three of this letter, please notify the MSBA in writing by April 3, 2023. If you have questions or would like additional information regarding the Eligibility Period, please refer to our website (<http://www.massschoolbuildings.org/building/prerequisites>) and/or contact Nina Pappacostas at the MSBA (Nina.Pappacostas@MassSchoolBuildings.org).

I look forward to continuing to work with you throughout the MSBA's grant program process. As always, feel free to contact me or my staff at (617) 720-4466 should you have any questions.

Sincerely,

John K. McCarthy
Executive Director
