

TOWN OF EAST BRIDGEWATER
ARPA PROJECT REQUEST FORM

Due: September 12, 2022

PART II: PROJECT INFORMATION

NAME OF APPLICANT:	Howard A. Wilbur - for Residents of Union St.
(1) Name of the proposed project:	Side walks with granite curbing, gravel fill and asphalt
(2) Please identify the problem that your proposed project is trying to solve.	There is only a short sidewalk condition that tends
(3) How will your proposed project solve the identified problem?	at Hobbit street and since 1950 many new homes have been built as there are many new families and we need sidewalks
(4) Please describe what, if any, community needs will be addressed by this project.	This will provide safer walking conditions for our residents
(5) Please explain how project performance will be measured. How will it be determined that the project was successful in solving the problem?	As this section of town has experienced several new housing developments since the 1950's and we now have occasional gaps in the sidewalk, this is needed.
(6) Who will benefit from this project?	Estimated more than 100 people - their safety
(7) What is the estimated number of people in the community who will be served by this project?	People will feel much safer
(8) How will the outcome or impact of the project improve the quality of life for recipients?	See attached estimate from DPW West - John Haining
(9) Identify the inputs (e.g.: staffing, equipment, supplies, and other resources) that will be needed for the proposed activity.	No
(10) Is this project already underway or ongoing? If so, please describe.	only by an article in the Town Meeting variation article
(11) If ARPA funding is not approved for this project, how will you fund this project?

Subject: RE: ARPA Funding

Good morning Howard,

The Town installed 1500 feet of new sidewalk along Plymouth Street earlier this spring had an approximate construction cost of \$185,000. The scope of construction service is similar and the cost would be approximately \$125 per foot.

So the cost for to construct **1 mile of sidewalk of Union Street would be \$660,000.00**

John

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links from unknown senders.

John - I'm filing for funds under ARPA, section 2 to construct a one mile sidewalk for the east side of Union Street. Would you please provide your best estimate for the gravel, granite curbing and asphalt surfacing that would be required for this work. Obviously,
