Dear Board of Selectmen Members,

I write on behalf of the Anne Kenneally Hynes Memorial Scholarship Committee.

We would like to request consideration of a proposal to place the annual Legends and Legacies of East Bridgewater bench at a location on Town Hall property. This bench would recognize our 2019 Honoree, 25-year East Bridgewater Junior/Senior faculty member Jamil Siddiqui. Mr Siddiqui is the 2019 Massachusetts Teacher of the Year and also the recipient of the Presidential Award for Excellence in Teaching of Mathematics and Science, recently presented in Washington, D.C. Specifically, we would like to request that the bench be placed in a position on the left side of the Town Hall, facing the baseball field, the former site of East Bridgewater High School.

This is the fifth consecutive year in which an Honoree bench has been supplied for town property. Each year we have conferred with John Haines, Department of Public Works Director, on a suitable spot for the newest bench, considering the grade of the land and any other related factors. Mr. Haines and his department have done a superb job of securely installing these benches.

After conferring on this matter, if you have additional questions, please feel free to contact me with any questions. Thank you in advance for your consideration. I look forward to hearing from you.

Respectfully yours,

Subject: Resignation Animal Inspector position

Hello Rebecca -

Unfortunately my regular job has expanded greatly over the past few months and is expected to continue to grow.

With the increase of my regular job I am unable to fulfill my position as animal inspector of East Bridgewater and do the job as effectively as the State requires.

Previously we were able to enter a property and conduct our inspection quickly and take a head count. The state is now requesting/requiring that if a person is not home we are to call and schedule an appointment to view the animals and perform our jobs. This will add a number of hours trying to schedule times if a person is not home when I get there. There is also the problem of vehicle use and phones. Now that Bridgewater isn't allowing East Bridgewater to use the ACO vehicle I would have to use my own vehicle. I know Lisa has been given an ACO vehicle at this time, but it is not dependable (she was dropping off a cat to me when we found the large antifreeze puddle in my driveway) and I have not been given authorization to use it at this time. Phone calls would have to go thru the animal control line and then forwarded to me which only adds additional time to accomplish something that last year was really a one and done type of thing. Hopefully these are things that will be worked out for the next person that fills this position.

I do apologize for the resignation but my "day job" is what must take priority at this time. I would like to remain as back up as ACO on Monday's or when Lisa is unavailable if that works for the town.

I will complete the paperwork that needs to be completed as per Elsie at MDAR. Hopefully they will have better success at working with her than Lisa or I had.

If Brian has any questions, please have him call me at 508 294 9873

Thank you
Paula Bunker

Subject: Resignation

To whom it may concern,

Please accept this as my resignation from the position of Animal Control Officer in East Bridgewater. Unfortunately, resignation is my only option as I have tried numerous times to discuss the hours and how they were not working. Having me sit in an office from 9-1 was a disservice to the community. I was wasting my allotted time staring at powerDms reading policies that did not even relate to me or my position. I tried talking about a different idea on how to best be available to our residents but I was talked over and ignored and my concerns were turned around on me to make it look as though I didn't want to show up to my job. I was showing up, I called in daily to check in with dispatch. If they didn't sign me in then that is an issue with dispatch. I also tried to explain this.

Animal Control is a unique position that does not have set hours and wasting my hours in a police station that didn't want me there in the first place was uncomfortable for me and useless to the taxpayers. I also had concerns regarding a policy for call back hours as 9-1 didn't cover anything. I had asked to be compensated for call backs and was told it didn't work that way because in my, as Brian Noble stated; "illegal" contract it read as "20 hours PLUS." So therefore I was expected to be at the Town's beck and call for free every day. Dispatch was consistently going against the call out protocols for after hours and weekends.

With the quick unexplained and unexpected changes to my position after 3 years of serving the residents, this only felt like a tactic to push me out. There were no issues with ACO services under the original position agreement with George Samia. I am disheartened with the outcome as I have helped many residents and their animals and will not be able to any longer. I truly did the job because I enjoyed it. It saddens me that the town felt as though I didn't want to do my job when I sincerely just wanted better availability to our residents.

Respectfully,
Lisa McKay
