

SECTION 7. ENFORCEMENT

This By-Law, **as well as any approval, decision, or permit granted pursuant to it**, shall be enforced by the Building Inspector or if there is none, by the Board of Selectmen who shall grant no permit for the construction, alteration, relocation, occupancy or use of any building, structure or premises in violation of any provision of this By-Law. Whenever any permit or license is refused because of some provision of this By-Law, the reason therefor shall be clearly stated in writing.

The enforcing officer shall institute appropriate legal proceedings to enforce the provisions of this By-Law or to restrain by injunction any violation thereof, or both, and shall do all further acts, revoke the permit occupancy, institute and take any and all such action as may be necessary to enforce the provisions of this By-Law.

With each application for a permit to build there shall be filed a plan drawn to scale showing a lot, the area, and location of which justify the building. No building hereafter erected, altered or relocated shall be used and no change shall be made for the use of any building or of any parcel of land, unless an occupancy permit signed by the enforcing officer had been granted to the owner or occupant of such land or building. Such permit shall not be granted unless the proposed use of the land or building and all accessory uses comply in all respects with this By-Law and no use shall be made of such land or building except the use or uses authorized by such occupancy permit.

Whosoever is convicted of a violation of any provision by this By-Law shall be subject to a penalty in an amount not to exceed One Hundred Dollars (\$100.00) for each offense. Each day that a violation continues shall constitute a separate offense.
