

The Board of Health meeting was held on, Wednesday, October 13, 2021, at 5:30 p.m.

MEMBERS PRESENT: Robert Lyons, Mathew Foster, and Lisa Lesogor. Staff in attendance: Susan Mulloy, Adm. Asst.,

Interviews are scheduled for the two finalists for position of Health Agent as posted. Both applicants were asked to tell the Board a little about themselves and were given the same question with an opportunity to ask the Board questions at the end of the interview. Both interviews were taped and broadcast via EB-CAM.

5:30 p.m.- Robert Vallery

Mr. Vallery is currently the Health Agent for the Town of Halifax and before that had been the Health Agent in Marshfield. He has 7 years of experience in the health field and prior to that worked for 30 years for Stop and Shop. He holds a master's degree in public health and is a licensed soil evaluator. Mr. Vallery is currently in the process of preparing for his registered sanitarian exam.

6:00 p.m. – Jeanmarie Kent Joyce

Ms. Joyce is currently substitute teaching. She previously served as Health Agent for Hanover and Avon with a cumulative of 20 years. She holds a master's degree in public health and is a licensed soil evaluator and a registered sanitarian. Additionally, she has experience in planning and conservation.

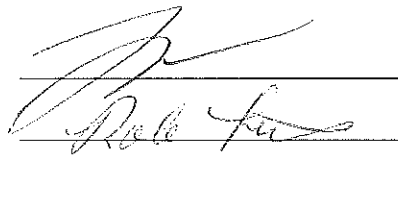

Each applicant was informed that the Board would be entering executive session this evening to discuss the interviews and would have a decision to them soon.

VOTE to close the open meeting and enter executive session and NOT return to open session at 6:30 p.m.
