

October 16,2023 East Bridgewater Historical Commission Meeting

Meeting called to order at 12:10 pm in the second floor small conference room. Present Dale Julius, Lexie Waugh, Norma Callahan, Katie Cavanagh and Lois Nelson. Absent Josh Sampson, he was working.

The only item of business was the proposed demolition of the house at 112 Cedar Street.

Motion Norma: "I move to review and accept the demolition order for 112 Cedar Street."

Discussion: Dale had viewed the property and taken pictures on the 9th. Lois and Norma viewed it today and Katie and Lexie viewed it on their phones. We all reviewed Dale's pictures and the Building Dept. file on the building. The house was built in the 1850's but has no known historical significance.

The vote on the motion was unanimous and the appropriate paperwork was signed and returned to the building department.

Respectfully submitted as approved at the October 24, 2023 meeting by Lois Nelson
