

October 24, 2023 EB Historical Commission Minutes

Meeting called to order at 6:37 pm. Present Dale Julius, Norma Callahan, Lexie Waugh, Josh Sampson, and Lois Nelson. Absent Katie Cavanagh, at another meeting. Guests Paula Coffey and her son, and Library Director Jessica Henderson.

The Coffey's are hoping to restore the original Hose House (Fire station) on West Union Street and sought our opinion on the project. The building is to be restored to its original appearance on the outside and have two modern units inside. We reviewed the information they had and added some history from our files. We strongly endorsed this project.

We again discussed the need to relocate our files and materials from the library. Dale will talk to Town Administrator Charlie Seelig before our next meeting. The library wants the space we are using cleared out by the first of the year.

Our scheduled review of the Demolition Regulations was tabled until we gather more information.

Our scheduled discussion on historical artifacts at the library was also tabled as Eric Lott from the Robinson Museum was unable to attend the meeting. We did forward him information to review for the next meeting.

Respectfully submitted as approved at the November 28, 2023 meeting by Lois R. Nelson
