The Town of East Bridgewater has instituted a policy and a tracking system for signs on municipal property.

1. The purpose of this policy is to promote and preserve the aesthetic nature of the Town, as well as to promote economic health of the Town and its businesses, organizations and institutions so they can successfully identify themselves, and to enhance the safety of all traffic participants by preventing sign overload and clutter.
2. No sign, poster, billboard, and/or banner may be posted or placed on municipal property including but not limited to the Town Common, Central Street, and/or along Plymouth Street without first receiving approval from the Board of Selectman's Office.
3. Once approved by the Board of Selectmen, you will be notified. For any questions regarding the signage process, please contact the Town Administrator's Office at (508)378-1601.
4. No approved sign, poster, billboard, and/or banner may be posted on municipal property for more than thirty (30) days.
5. No sign, poster, billboard, and/or banner on municipal property may be greater than two (2) feet by three (3) feet in dimensions unless specifically authorized by the Board of Selectmen's Office.
6. The Town may deny any application without cause and may factor in the current number of postings/signs already in place at a particular municipal property location, public safety and the aesthetic nature of the Town during the approval process.
7. The Owner of any display/posting of a sign, poster, billboard, and/or banner on municipal property that does not conform to these policies and/or did not receive approval from the Board of Selectman will be notified to remove the sign, poster, billboard, or banner.
8. Any person that fails to conform to these policies may be denied future applications to display/post any sign, poster, billboard, and/or banner on municipal property.
9. Any Owner that fails to remove a sign, poster, billboard, and/or banner from municipal property within three (3) days of a request from the Town do so, will have their sign removed from municipal property and charged a twenty-five dollar (\$25) Removal Fee and will be ineligible for future applications until such fee(s) are paid.
