## GLOSSARY OF TERMS

**Appropriation:** An authorization to make expenditures and to incur obligations for specific purposes. An appropriation is granted by Town Meeting and is usually limited in time and amount as to when it may be expended. Any part of the general appropriation not spent or encumbered by June 30 automatically reverts to surplus, which may become Free Cash. A specific appropriation is carried forward from year to year until spent for the designated purpose or transferred by Town Meeting vote to another account.

**Assessed Valuation:** A valuation set upon real or personal property by the Board of Assessors as a basis for levying taxes.

**Budget:** A plan of financial operation consisting of an estimate of proposed expenditures for a given period and the means of financing them. The budget is voted in the spring at Town Meeting for the fiscal year that begins the following July 1st.

**Capital Budget:** A plan of proposed capital outlays and the means of financing them for the current year.

**Cherry Sheet:** An annual statement received from the Massachusetts Department of Revenue detailing estimated payments to the town for the next fiscal year and the estimated state and county government charges payable by the town. The Assessors in setting the tax rate use these amounts. The actual receipts and charges may vary from the estimates.

**Debt or Capital Exclusion:** The Town can assess taxes in excess of the levy limit by voting a debt exclusion or capital outlay exclusion. This amount does not become a permanent part of the levy limit base but does allow the Town to assess taxes for a specific period in excess of the limit for payment of debt service costs or payment of capital expenditures.

**Debt Service:** Payment of interest and repayment of principal to holders of the Town's debt instruments.

**Excess Levy Capacity:** The difference between the Town's tax levy limit and its actual tax levy for the current year. It is the additional tax levy that could be raised without asking for an override.

**Fiscal Year:** A 12-month period, commencing July 1 and ending June 30, to which the annual budget applies. Fiscal years are often denoted FYXX with the last two numbers representing the calendar year in which it ends, for example, FY22 is the fiscal year ending June 30, 2022.

**Free Cash:** Free cash is the portion of unreserved fund balance available for appropriation. It is not cash but rather is approximately the total of cash and receivables less current liabilities and earmarked reserves also reduced by reserves for uncollected taxes. This is also referred to as "available cash". The amount is certified annually by the Massachusetts Department of Revenue.

**General Fund:** The major town-owned fund which is created with town receipts, and which is charged with expenditures payable from revenues.

Grant: A contribution of assets by one governmental unit or other organization to another. Typically, these contributions are made to local governments from the state and federal governments. Grants are usually made for specific purposes.

Line-Item Budget: A format of budgeting that organizes costs by type of expenditure such as expenses, equipment, and salaries.

New Growth: The amount of property tax revenue that the Town can add to its allowable tax levy as a result of new construction, alterations, subdivisions or change of use which increases the value of a parcel of land by more than certain amounts.

OPEB: Other Post-Employment Benefits. Benefits that an employee of the town will receive in retirement. OPEB does not include pension benefits paid to the retired employee. Other benefits include insurance premiums, healthcare premiums, and deferred-compensation contractual arrangements.

Overlay: The amount set aside to allow for uncollected property taxes. An amount for the overlay is added to the appropriations and other charges. Overlay Surplus – see below.

Override: An amount, voted by the Town, which is permanently added to the levy limit. A majority vote of the Selectmen allows an override question to be put on the ballot. Override questions must be presented in dollar terms and must specify the purpose of the override. Overrides require a majority vote of approval by the Town.

Overlay Surplus: The unused amount of the overlay for prior years, which may be transferred, by a vote of the Town, to the reserve account or used for extraordinary items.

Property Tax Levy: The amount produced by multiplying the assessed valuation of property by the tax rate. The tax rate is expressed “per thousand dollars” of assessed valuation.

Reserve Fund: Money set aside by Town Meeting to be allocated by the Finance Committee for extraordinary or unforeseen expenditures.

Stabilization Fund: A special reserve funded by Town Meeting for future expenditures.

Tax Classification Tax Allocation: Before setting the tax rate each year, a classification hearing is held by the selectmen to determine the shares of the tax levy to be paid by each class of property in the community, and whether to allow an open space discount, residential exemption, or small commercial exemption. The Assessors provide information about the impact of these options at the hearing. The decisions of the Selectmen are reported to the Bureau of Accounts and are referred to as the “Classification Tax Allocation.”

Tax Levy Limit: The maximum amount of the tax levy for a period under the restrictions of Proposition 2½. It is calculated as the prior year limit plus new growth plus 2.5% of the prior year levy limit.

**APPENDIX 1: Town Meeting Parliamentary Procedure**

Parliamentary procedure has a long history. Originating in the early English Parliaments, it came to America with the first European settlers and became uniform in 1876 when Henry Robert published his manual, known as “Robert’s Rules of Order.” Our Town Meeting proceedings are governed by the rules contained in “*Town Meeting Time: A Handbook of Parliamentary Law*” except as modified by the Massachusetts General Laws, Chapters 39 and 43A.

Parliamentary procedure means that everyone may be heard and to come to decisions without confusion. It means democratic rule, flexibility, the protection of rights and most importantly a fair hearing for everyone.

The basic parts of parliamentary procedure provide for the presentation of motions, the seconding or the expression of support of another’s motion, an opportunity to debate, and ability to make a decision.

There are five general types of motions:

- Main Motions: These introduce subjects for consideration.
- Subsidiary Motions: This motion change how the main motion is handled. (They are voted on before the main motion.)
- Privileged Motions: These motions concern special or important matters not related to the pending business. In general, they are considered before other types of motions.
- Incidental Motions: These are questions of procedure that arise out of other motions, and they must be considered before the other motion.
- Motions that bring a question again before the assembly: These enable certain items to be reconsidered. In general, they are brought up when no business is pending.

Some questions relating to motions:

- Is it in order? Your motion must relate to the business at hand and be presented at the right time. It must not be obstructive, frivolous or against the law.
- May I interrupt the speaker? Some motions are so important that the speaker may be interrupted to make them. The original speaker regains the floor after the interruption has been attended to.
- Do I need a second? Usually, yes, A second indicates that another member would like to consider your motion and it prevents spending time on a question that interests only one person.
- Is it debatable? Parliamentary procedure guards the right to free and full debate on motions. However, some subsidiary or privileged, and incidental motions are not debatable.
- Can it be amended? Striking out or inserting wording, or both, can change some motions. Amendments must relate to the subject as presented in the main motion.
- What vote is needed? Most require only a majority vote (more than half the members present and voting). But, motions concerning the rights of the town meeting, borrowing, and some other miscellaneous subjects may require “supermajorities” of  $\frac{3}{4}$  or 9/10’s depending on the applicable state law.
- Can it be reconsidered? Some motions can be debated again and revoted to give members a chance to change their minds. The motion to reconsider must come from the “winning” side.

How Do I Present My Motion?

Obtain the Floor:

- Wait until the previous speaker is finished.
- Rise and address the Moderator. Say, “Mr. Moderator.”
- Wait until you are recognized.
- State your name and address for the record.

- Make your motion:
- Speak clearly and concisely.
- State your motion affirmatively. Say, “I move that we do....” Instead of “I move that we do not...”
- Stay on the subject and avoid personal attacks.

You wait for a second:

- Another member will say, “I second the motion.”
- Or the Moderator will call for a second.
- If there is no second, your motion will not be considered. (Motions made at the direction of a board or committee (more than one person) do not require a second.)

The Moderator states your motion:

- The Moderator must say, “It is moved and seconded that we...”
- After this happens, debate or voting can occur.
- Your motion is now “assembly property,” and you can’t change it without the consent of the body.

You expand on your motion:

- As the person who made the motion, you are allowed to speak first.
- Direct all comments to the Moderator
- Keep to the time limit for speaking.
- You may speak again after all other speakers are finished.
- You may speak a third time by a motion to suspend the rules with a 2/3 vote.

The Moderator puts the question:

- The Moderator asks, “Are you ready for the question?”
- If there is no more debate, or if a motion to stop debate is adopted, a vote is taken.
- The Moderator announces the result.

The method of voting on a motion:

- Voice: The Moderator asks those in favor to say “aye” and those opposed to say “no.” A member may move for an exact count.
- General Consent: When a motion isn’t likely to be opposed, the chair says, “If there is no objection...” Members show consent by their silence. If someone says, “I object,” the matter must be put to a vote.
- Show of hands: Members raise their hands to verify a voice vote, or as an alternative to it. This does not require a count. A member may move for an exact count.
- Ballot: Members write their vote on a slip of paper and this is done when secrecy is desired.

More Motions:

A motion to lay on the table: This motion is used to lay something aside temporarily to take care of more urgent matters. It should not be used to prevent debate or to kill a question. Members can “take from the table” a motion for reconsideration. This must happen by the end of the town meeting.

A motion to indefinitely postpone: This is a parliamentary strategy. It allows members to dispose of a motion without making a decision for or against. This is useful in case of a badly chosen main motion for which either a “yes” or “no” vote would have undesirable consequences.

**APPENDIX 2: Finance Committee’s Recommendations (Sources of Funds)**

**APPENDIX 3: Consent Agenda**

**2023 East Bridgewater Annual Town Meeting Consent Agenda**

A consent agenda's purpose is to act expeditiously upon certain types of articles that historically have generated no controversy and can reasonably be voted upon without debate. With a consent agenda, several articles can be addressed with a single vote, thereby ensuring that a greater proportion of Town Meeting's time is dedicated to articles that are the subject of genuine debate.

When the Consent Agenda is called, the Moderator will read out the number of each article, one by one. If a voter has a question or concern about an article's inclusion on the Consent Agenda, s/he should say "hold" when the article's number is called. If the purpose of the "hold" is only to ask a simple question, the Moderator will attempt to get the question answered quickly with the goal of leaving the article on the Consent Agenda. Failing that, or if the article is held for debate, the article will be removed from the Consent Agenda. After each article has been called, the Moderator will ask Town Meeting to pass all articles on the Consent Agenda that have not been otherwise removed in a single vote. It is hoped that voters will remove articles from the Consent Agenda only in cases where genuine concern exists.

***The Consent Agenda included below, will be taken up before Article 1 of the Annual Town Meeting on Monday, May 8, 2023.***

***MOTION: I move that the Town vote to take out of order Articles 1, 4, and 6, that they be "passed by consent" in accordance with the motions shown on the "2023 East Bridgewater Annual Town Meeting Consent Agenda" distributed to Town Meeting attendees this evening.***
